

Basketball Zonal Championship

Classes Involved: 6th to 12th

Date: 18/07/2019 to 31/07/2019

First time our school had participated in five different categories in Basketball Zonal Championship ...which was held at ASN Public School, Mayur Vihar, Delhi from 18th to 31st July 2019.

All the students participated and learned a lot. They showed some good sportsman spirit/ playing skill and have a bright future in the field of basketball.

We lost all the matches in the first round but the sub-junior girls and junior girls played very well and lost a fighting match against the winners of previous years teams.

Boys also played well and learned from the mistakes done at the time of matches. All the teams can do better but they are short of practice on proper playing surface.

We find a bright future and good players in our coming years in Basketball.
