

Independence Day 2019

On the occasion of 73rd Independence Day of India, the Hindi Department of Salwan Public School, Mayur Vihar, organized a program on Independence Day celebrations. The program started with a very inspiring prayer "Lab Pe Ati Hai Dua Ban Ke Tamanna Meri". The event was

initiated with the welcome note of Brig. Dr. Alok Kumar Tyagi, Director, Mayur Vihar branch, addressing parents and apprising them with the true meaning of freedom.

"Bhasha Sangam Poetry Seminar - Mushaira" was the main attraction of

the program presented by the students. Hindi & Urdu, born from the Sanskrit language, with their own essence has always made a mark in promoting India's cultural heritage and tradition.

That's why the division of languages could never challenge the integrity of our country. Rather, their beauty has been adorning India with its tender sentiments.

To encourage the students in the field of art, the Salwan Education Trust awarded a special prize to the future painters. Principal, Seema Malik, appreciated the effort put in by the students for the event and further described Hindi & Urdu as one language like the two faces of a coin.

The program was concluded by the national anthem.
