

Report on Achievers' Day – 2nd Feb 2019

Trust In Triumph: Salwan Public School holds Award Ceremony for Exceptional Students

“High Achievement always takes place in the framework of high expectation.”

Human beings have a natural tendency to pin their hopes for happiness on fulfilled expectations, as long as we have good reasons to believe that fulfilling an expectation will make us contented, we take the necessary steps towards gratifying those anticipations. Expectation is a form of magical thinking that attracts events into our lives. And to keep that fire burning, internal motivation is needed.

Salwan Public School, Mayur Vihar strongly believes in creating that internal motivation among its students. People may have been familiar with the term 'gifted and talented'. Here, at Salwan Public School, Mayur Vihar, we refer to students as Potential High

Achievers (PHA) as we believe that to be gifted or talented is not acquired, it is earned through hard work, excellent effort and risk taking through learning. All students have the potential to be high achievers with the right attitude, determination, diligence and perseverance. We strive to provide a strong forum to our students, so that they can train their minds to secure high excellence.

To pat on the back of students, Salwan Public School, Mayur Vihar organised the ceremony “Trust In Triumph” with shibboleth of “Soar..Seek..Succeed” on behalf of Salwan Educational Trust to give away the cash prizes and awards to encourage the students.
