

Career Guidance Fair

The best way to predict the future is to create it.”

-Abraham Lincoln

Salwan Public School organized a Career Fair on 11th October 2019, to give students a taste of what their future holds, in the school premises which attracted 12 leading Indian and International Universities. The objective was to help the students to design their higher studies. Students from grades tenth through twelve participated in the fair.

Seminars were conducted and each institution provided detailed information about their institutions to the participants. Students got to hear what the colleges had to offer and even had the opportunity to interact with the resource persons about career options science, commerce or humanities and ask general questions related to the various options available.

Various stalls were exhibited each of which was geared to provide career counselling in a specific field. These helped in widening the horizons of students and parents. They used this opportunity to clarify doubts and absorb fresh perspectives regarding new career options available.

The Fine Arts students of class XI and XII visited Pearl Academy, Noida. It has evolved into a globally renowned institution of higher learning with a focus on Internationalism; entrepreneurship and employability; catering to the needs of the design, fashion, business and retail industry. Students were engaged with their professional faculty members to give them hands-on experience on various creative fields like-Fashion Design, Accessory Design, Communication Design, etc. They were also given guidance on various career options related to Design and Interiors.

It was an enriching and informative experience. The parents and students participated with fervor and zeal. The fair was a success overall, as students came out with a better understanding of what colleges and certain careers have to offer.
