Dear Students

Exams test your memory and understanding and life test your learning. Let us all put our heart and soul and undivided attention for doing well for the final exams. We all know that the best way to predict the future is to create it.

- Give yourself enough time to study, putting away all distractions.
- Manage your time well and leave nothing for the last minute.
- Have a healthy and balanced diet and spend a little time in natural surroundings with fresh air.
- Follow 'early to rise and early to bed' formula to have better concentration.
