

**Salwan Public School , Mayur Vihar-III, Delhi-110096**

**Summer Vacation Home work (Integrated) 2019-20**

Fun combined with Education renders the best learning experience for students. Taking this aspect into consideration the school will be organizing an exhibition of its kind “We are the Mathemagic world” in this session. Therefore, the task given under will serve as as a ground work for the exhibition.

**Class VIII:**

**Mathematics (Each student is required to complete only one project in Maths either individually or in a group)**

- ( 1) Prepare a mathematical song and dance and prepare materials/chart paper for class board on the same topic.
- ( 2) Prepare a project on Heights and Distances to find the height of a person and prepare materials/chart paper for class board on the same topic
- (3 ) Prepare materials/chart paper for class board on the topic Vedic Maths.

**Science:** Collect any 10 different types of synthetic fibres and paste them in your science notebook. Compare their texture, look, brightness and any visible properties.

Seed Collection:

You all know that trees are the ultimate solution to all our problems, be it water or air pollution or increased demand of fresh air in this busy life style. And we can save millions of potential plants by just a small effort.

Eat a lot of fruits during your summer break. As you all know that seeds are potential plants, so don't throw away the seed of these fruits and collect them, wash and dry them properly. Store them and bring them to school after the summer holidays.

**English:**A. Read the stories from your prescribed English Supplementary Reader “It So Happened” during your leisure time . Make a project on any two stories you have read which should have following elements-
