

*“I cannot say goodbye to those whom I have grown to love,
for the memories we have made will last a lifetime,
and will never know a goodbye.”*

A Farewell, for the outgoing students of class 12th, was organized on 16th January 2019 in the school premises with great enthusiasm!

The fun filled day kick started with an introduction and induction into adventure activities organized for the classes XI and XII. Students were placed into different groups. Students went through new experiences that helped them learn lessons on life skills, fight fear and

and motivated

them to face competitions. The adventure activities in the fully loaded camp directed them to discover hidden talents and sharpen the motor and mental growth and at the same time encourage good health.

Our school has an ethos of social welfare. In cognizance with this thought process the students were engaged in community service. They visited the organizations like National Youth Blind Association, Saksham School and Shiksha School. The idea was to engage with the special ones and make them feel loved and cared for. The endeavour helped our students to develop a sense of social responsibility – A global view of society and a heart for ‘**Giving Back**’ and helping others. It provided an opportunity to apply academic learning to real human needs and situations.

An assembly was organized to bless the students of class XII for achieving success in their board exams and future accomplishments. The

The ceremonial lighting of the lamps by staff and tea lights by the outgoing batch rendered the whole atmosphere with elation and belongingness for

the school. The Principal passed on the 'light' of wisdom to all the students of class XII. She also read excerpts from book based on the life of Pt. Girdhari Lal Salwan Ji which were like an endless fountain of inspiration for all. This was followed by a short trip down the memory lane by Adhya Joshi, the Head Girl.

She shared her experiences and thanked the staff on behalf of all the students.

The evening was a fiesta devoted to the years spent together with friends and teachers and to reminisce joyous moments. The Element of Fire has great power for

forging will and determination and keeping this in mind a bonfire was lit up. Thereafter, there was a spate of dance, music and laughter as the students impressed everyone with the showcasing of their vast repository of skills. To conclude the jam-packed day class XII students were presented with a small memento.

Summing up, the day was great, filled with nostalgia, fun and excitement!
