Class V

Maths

Collect 5 empty cartons of different grocery items. Make beautiful any one paper garment (approximate to real size)

EVS

Seed Collection: You all know that trees are the ultimate solution to all our problems, be it water or air pollution or increased demand of fresh air in this busy life style. And we can save millions of potential plants by just a small effort.

Eat a lot of fruits during your summer break. As you all know that seeds are potential plants, so don't throw away the seed of these fruits and collect them, wash and dry them properly. Store them and bring them to school after the summer holidays.

Also collect and note down in your science copy information about any 2 extinct and 2 endangered species.

English

Summer time is fun time. Enjoy this season by participating in lots of fun activities and spending more time with your family and friends. Here are some activities that will help you spend noon time in a very enjoyable way.

Read the stories from your prescribed English Supplementary Reader 'The Magic faraway tree' by Enid Blyton during your vacation. Write about your favourite character from the story, depict any one story in the form of pictures. (Take A4 size sheet for writing the character and picture depiction.)

Computer

Research and prepare a document using Open Office Writer on 'The latest gadgets used in security and sustainable living '.
