Shiv Dutt Salwan, the Chairman of the school, Maj. Gen. (Dr.) R. N. Masaldan, CEO of Salwan Education Trust, Brig (Dr) AK Tyagi, Director and teachers of sister branches graced the function with

their benign presence. The parents of our young Salwanians embellished the events.

The program was inaugurated by the esteemed guests and the most punctual parents by lighting the ceremonial lamps. Ms. Bhawna Puri, Vice Principal of the school, welcomed the august gathering and motivated the young ones.

We, at Salwan, believe that when a child's social and emotional needs are met, he can participate fully in the wide range of learning opportunities at school. To nurture

their innate talent, the school provided a platform wherein the students of Pre-primary classes presented a brilliant play “Snow white and the seven dwarfs” and students of classes I and II performed “Alice in the Wonderland”. The presentations showcased classic fairy tales with dazzling dances. The scintillating performances created a visual feast for the audience as it displayed the innocence and joyfulness of childhood. Masaldan Sir applauded the efforts that the tiny-toddlers had put in into their performances to make it such a grandiose attainment and wished for a better future

for the students. He congratulated the entire team for the hard work put in by them to make the event a roaring success.

The parents apprehended the stride taken by the school to extract the students' hidden talents and enhance a new fangled attitude in their developing personality.

The program concluded with a valedictory address by the pre primary in charge Ms. Shobha Chandra.
