The entire nation is laced up to celebrate the 71<sup>st</sup> Republic Day on January 26, 2020. It is known that India became independent on 15th August 1947. But it took a while to write and implement the Indian Constitution which finally came into action on 26 January 1950. Since then, we celebrate January 26th as Republic Day. To make this monumental day a memorable one, a special assembly was conducted on 24<sup>th</sup> Jan, 2020 at the school grounds. The students took pride in glorifying and celebrating the spirit of unity and brotherhood.

The day began with a Prayer and the unfurling of the National Flag by Director, Brig A.K. Tyagi, followed by the national anthem by the school students. The school reverberated with patriotic fervour and enthusiasm with the rendition of a Marathi patriotic song by the school choir. The 'Thought for the Day' and National and International news update was rendered confidently by the students. Ms. Monia Saini, in her talk invoked the precious contribution of great freedom fighters and brought to the fore the significance of this day in our lives. She urged the students to do their best and feel proud to be Indian.

The students of classes IV to VIII brought the stage alive with their passion and love of the motherland through the Classical Patriotic Dance.

A skit by the junior theatre club students highlighted the Fundamental Rights and Duties of every citizen of the country.

The audience applauded the achievements of the special children in clay modelling competition as they received their appreciation certificates.

An enlightening speech by Director, Brig A.K. Tyagi held everybody's attention as he made the students aware that the future of their country lies in their hands and that they need to inculcate good values in life, which will help them to be good citizens of the country.

It was a highly organized and informative assembly. The students dispersed with the image of the fluttering tricolor in their mind and heart. May we continue celebrating this day forever!
