

Report -SCERT

It was a gathering of 3500 admin staff, teachers from govt, aided and unaided schools of Delhi at the Tyagraj stadium on 9th January 2019. The workshop was organized by SCERT along with the collaboration of Dept. of Education.

Special focus was on **Inclusion project** i.e educating special children along with others in a normal curriculum. Main aim was to provide equal opportunity to the differently abled, marginalized, vulnerable and less privileged category of students. A holistic approach with a barrier free environment along with attitudinal change in the school system needs to be imbibed. Mr. Dhariyal, Commissioner for persons with disabilities, GNCT Delhi graced the occasion with his motivational speech. Ms. Shailaja Sharma a legal expert in the school system appraised the audience that parents have legal right to enquire about their queries regarding admission and facilities provided by the school for special children.

DOE personnel came up with the School development Index along with other administrative regulations like fee hike, disaster management drill, protection of child rights etc. in the school premises.
