

Salwan Public School , Mayur Vihar-III, Delhi-110096

Summer Vacation Home work (Integrated) 2019-20

Fun combined with Education renders the best learning experience for students. Taking this aspect into consideration the school will be organizing an exhibition of its kind “We are the Mathemagic world” in this session. Therefore, the task given under will serve as as a ground work for the exhibition.

Class VII:

Mathematics (Each student is required to complete only one project in Maths either individually or in a group)

- 1) Make neat And creative comic strips based on mathematical concept. Background chart should be of white colour. Make sure font of dialogues in comic strip should be of readable size.
- 2) Innovative and creative mathematical game.
- 3)Prepare materials/chart paper for class board on the topic Vedic Maths

Science: Find about different variants of milk sold in the market and present their components in a tabular form. Write about the different processes included in processing of milk.

Seed Collection:

You all know that trees are the ultimate solution to all our problems, be it water or air pollution or increased demand of fresh air in this busy life style. And we can save millions of potential plants by just a small effort.

Eat a lot of fruits during your summer break. As you all know that seeds are potential plants, so don't throw away the seed of these fruits and collect them, wash and dry them properly. Store them and bring them to school after the summer holidays.

English:A. Read the stories from your prescribed English Supplementary Reader “An Alien Hand” during your leisure time . Make a project on any two stories you have read which should have following elements-

1. Title
2. Author (few lines about the author)
3. Protagonist (main character of the story)
4. Secondary characters
5. Plot(sequence of the story in short in about 100-150 words)
6. The best character you liked the most and why.
7. The message or values you learnt from the story.

B. Imagine yourself to be one of characters of your favourite stories you read in "An Alien Hand" and make a diary entry sharing your experience.

Computer: Create a presentation using Microsoft PowerPoint/ Open Office Impress on the topic- 'Biometric Devices'

The following points should be adhered to:

- (a) The project file should contain at least 5 to 6 pages of coloured printout.
 - (b) The presentation should consist of different tools like text, pictures, clipart, auto shapes etc.
2. Revise and complete the exercise of the chapter done in the class.

हिंदी 'प्रेमचंद' द्वारा रचित मानसरोवर की दूसरी श्रृंखला में से स्वेच्छानुसार कहानियां पढ़िए। पढ़ी गई कहानियों में से दस – दस शब्द छांटकर शब्दकोश तैयार कीजिए। चयनित शब्दों के अर्थ भी लिखिए।

S.St: Revise your syllabus. Watch history channel. Visit various heritage places during the holidays and take photographs. Prepare a weather report for a fortnight in your almanac. Help your parents in their household work. Read interesting articles and books of your choice.

French : Make the projects given for the french exhibition.

संस्कृत 1 संस्कृत सुभाषितों का सचित्र चार्ट बनाएँ | 2 पढ़ाए गए पाठ्यक्रम को याद करें |
