

**Salwan Public School , Mayur Vihar-III, Delhi-110096**

**Summer Vacation Home work (Integrated) 2019-20**

Fun combined with Education renders the best learning experience for students. Taking this aspect into consideration the school will be organizing an exhibition of its kind “We are the Mathemagic world” in this session. Therefore, the task given under will serve as as a ground work for the exhibition.

**Class VI:**

**Mathematics (Each student is required to complete only one project in Maths either individually or in a group)**

(1) Make mathematical borders for the bulletin boards. Width of the border should be 8 cm. Each child has to make 5 strips of borders with width 8 cm and length 50 cm each.

(2) . Make 3D props/ masks for the photo booth based on mathematics.

(3) Research on Mathemagician and comics

**Science:** Compare and tabulate the results of nutritional values of any 5 fast foods and natural foods.

Seed Collection:

You all know that trees are the ultimate solution to all our problems, be it water or air pollution or increased demand of fresh air in this busy life style. And we can save millions of potential plants by just a small effort.

Eat a lot of fruits during your summer break. As you all know that seeds are potential plants, so don't throw away the seeds of these fruits and collect them, wash and dry them properly. Store them and bring them to school after the summer holidays.

**English:** Summer time is fun time. Enjoy this season by participating in lots of fun activities and spending more time with your family and friends. Here are some activities that will help you spend noon time in a very enjoyable way.

Read the stories from your prescribed English Supplementary Reader The Magic Drum and other favourite stories by Sudha Murthy and write a book review comprising of the following points: \_

- 1 Book cover
