Seed Collection: You all know that trees are the ultimate solution to all our problems, be it water or air pollution or increased demand of fresh air in this busy life style. And we can save millions of potential plants by just a small effort.

Eat a lot of fruits during your summer break. As you all know that seeds are potential plants, so don't throw away the seed of these fruits and collect them, wash and dry them properly. Store them and bring them to school after the summer holidays.
